*"We are a pilgrim church, a community of believers, the living Body of Christ. Our mission is to make God's presence visible, to proclaim God's presence in our world. We witness that presence by living the Gospel images of Christ as shepherd, teacher, priest, and servant. The seed of faith was sown in our community many years ago. Today, like the yeast that works in bread, that faith continues to enliven us as we share our faith with our neighbors, region, archdiocese, and universal church."*

When we try to win the esteem of others, we often conform ourselves to cultural values instead of welcoming God's love and the way of life that flows from that love. \*Spend some time gazing at a crucifix. How does Jesus' crucifixion contradict what our society tells us is important? \*Are there ways in which the crucifixion challenges what is especially important to you? In what ways do you try to protect status, youth, or power? What significant change can you make that is countercultural and Gospel-oriented, such as changing how you dress, what you drive, or what you do for entertainment? \*If you can afford to, make an anonymous donation to a charity that helps the poor.
